# 30 years

TOC GROUP

“Orchids” are known as one of the most interested export products of Thailand. In 1989, Mr.Jade and Mrs.Sritip Meyanyieam established Thai Orchids company (“TOC”), exporting orchids from Thailand globally, started from USA and had expanded to many markets in Australia, China, Italy, Vietnam etc. Since then, TOC is being trusted by customers for more than 30 countries around the world.

According to the vision of CEO of Thaiorchids, we realised that orchids are needed by customers all over the world, so our research and develop department starting to develop new varieties of orchids to suit global demand. All plants are grown on 320,000 square metre farm in Ratchaburi Province, central of Thailand. Thaiorchids also have our own tissue culture laboratory, “TOC LAB (THAILAND)” to supply young plant to TOC Farm, and developing new technology for orchids production.

Thaiorchids keeps the governance policy exporting high quality orchids, and was award the international standard ISO 9001:2008 in 2001 and Best Corporate Governance Award from Puay Ungphakorn Institute.

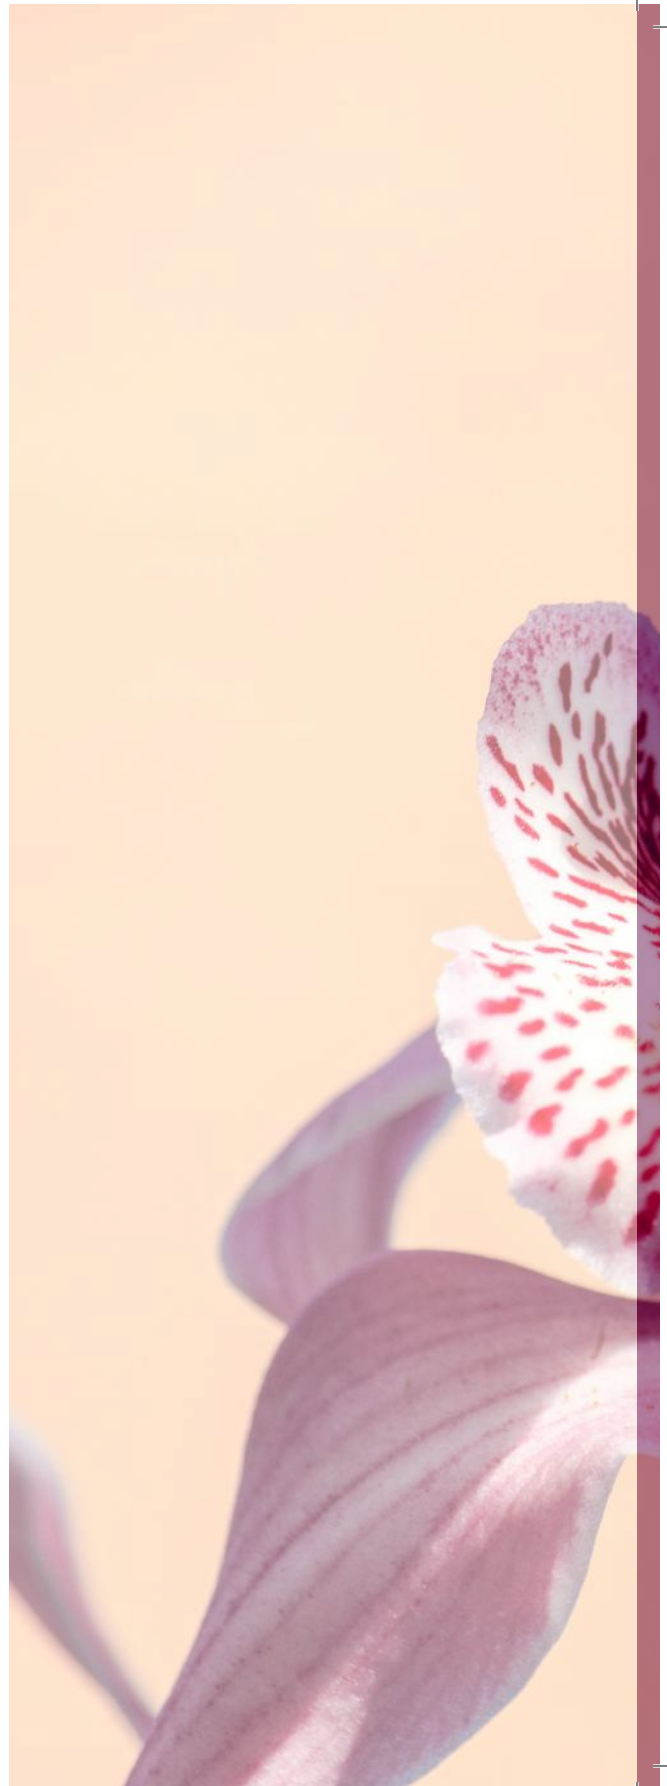

Nowadays there are 5 more companies established under the TOC GROUP Siam Plant Export Company, Auengthai Co.,LTD, TOC Green Energy Co.,LTD, Thaijade Construction Co.,LTD and Holy Tree Nursery Co.,LTD

A close-up photograph of a Dendrobium orchid flower. The flower features a prominent, light pink sepal with dark pink vertical stripes. The petals are a pale pink color. The most striking feature is the lip, which is white with numerous small, dark red spots and a yellowish center. The background is a soft, out-of-focus pinkish-purple. A dark purple vertical bar is positioned on the right side of the image, containing the text 'DENDROBIUM' in white, uppercase letters.
